

permitted to use the parent as a reference against the present divisional application.

Withdrawal is respectfully requested.

In the Specification

Please amend the specification as follows:

Please delete the first sentence of Page 1, and replace it with the following: The

c/ Present application is a Divisional of Application Serial No. 08/843,744 filed April 21, 1997,
now U.S. Patent No. 5,991,948 entitled FLUID SATURATED FOAM CONTAINER, which
was a Continuation-in-Part of Application Serial No. 08/331,183 filed October 28, 1994, now
U.S. Patent No. 5,632,051 for FLUID COOLING CONTAINER.

Page 1, line 5, replace "parent" with --grandparent--.

Applicant respectfully submits that the claimed invention is allowable over any and all of the prior art, either alone or in combination, and requests allowance of the claims as presented. The Examiner's early and favorable action is also hereby respectfully requested.

Respectfully submitted,

Lee G. Meyer
